HP CoolSense
By rethinking the materials, the placement of components and vents, HP has products that feel noticeably cooler. Whether you're using your notebook at a desk or on the move, HP CoolSense automatically adjusts to deliver the optimum level of comfort.

HP TrueVision HD Webcam
The HP TrueVision HD Webcam makes you look good in any light. Whether you are on an HD video call or filming an HD blog post, you will look your best.

HP ProtectSmart
If you accidentally drop your PC, HP ProtectSmart's accelerometer puts the brakes on your hard drive to protect your photos, music and memories.

HP SimplePass with One-time-password (on models with a metal finish)
Remembers your passwords for you. With an easy-to-use interface, HP SimplePass stores all your passwords in one place – and as many as you want. One-time-password provides and extra layer of security (on models with a metal finish).
